Joyner, D. (Ed): Coding Theory, Cryptography: Enigma, Geheimschreiber. 2000

Dear Professor Joyner,

I only have a hardcopy of your e-mail, so I am writing a new e-mail instead of replying to yours.

We, herewith, grant you permission to post the ps and pdf files of the above-mentioned book on your web site.

Please give full acknowledgement to the original source. Thank you.

With best regards,

Alice Essenpreis
